### **Connolly One of the Fastest Growing Companies In America**

Atlanta, GA - Connolly has been included for the third year in a row in the exclusive Inc. 5000 list of the fastest-growing private companies in America. The list represents a comprehensive look at an important segment of the economy—America's independent-minded entrepreneurs. Connolly joins a rarified number of enterprises, many of which have grown to become national icons, which have appeared on the list multiple times.

"The leaders of the companies on this year's Inc. 5000 have figured out how to grow their businesses during the longest recession since the Great Depression," said Inc. President Bob LaPointe. "The 2010 Inc. 5000 showcases a particularly hardy group of entrepreneurs." Rankings are based on year-over-year sales revenue growth.

Connolly's CEO Larry Connolly was pleased with the ranking. "Connolly continues to experience growth well ahead of projections and our future looks extremely bright," he said. "We are gratified to appear on the Inc. 5000 list again this year. For that we have the loyal employees and clients of Connolly to thank."
